

Creating the Budget, Exercise 20, Supplemental Spreadsheet (Chapters 1-3)

Complete the Supplemental spreadsheet by inputting all of the categories that apply. This worksheet is included in the **Budget Sheet Example** spreadsheet that you been using to fill out the budget.

Bill Name	Jan	Feb	Mar . . .	Total
Electricity Utility				
Gas Utility				
Miscellaneous				
Savings				
Emergency				
Rainy Day				
Totals				

In Chapter 10 from the book/videos the italicized blue font shows the upfront cash needed to establish particular expenses. At this point add in all of the categories that apply in your budget into the Supplemental spreadsheet.

Bill Name	Monthly Avg.
Child Care <i>\$161.6</i>	\$300
Groceries <i>\$38.36</i>	\$250
Auto Insurance <i>\$105</i>	\$105
Gas/Transit <i>\$22</i>	\$85
Gas Utility <i>\$104</i>	\$50
Memberships <i>\$312</i>	\$26
